

SCULPTURENOW PROSPECTUS FOR 2020 EXHIBITION.

SculptureNow is accepting applications from established and emerging sculptors for its twenty-second consecutive, juried, annual exhibition of large-scale, outdoor sculptures. The show will be presented for the eighth year at The Mount, Edith Wharton's Home, a historic site in Lenox, Massachusetts, from June 1 to October 31, 2020.

The Berkshire region of Western MA is well known for its rich cultural venues and beautiful nature, attracting visitors from New York, Boston and far beyond. The SculptureNow exhibitions at The Mount are a destination for collectors and visitors, and have been favorably featured by Sculpture Magazine, NPR, the Boston Globe, Art New England, Berkshire Magazine, the Berkshire Eagle, MassLive and numerous other websites and publications.

SculptureNow is a non-profit art and education organization. Our mission is to expand the experience and knowledge of sculpture in the Berkshires, through exhibitions, presentations and sculpture programs. For more information about SculptureNow please visit SculptureNow.org

The Mount is both a historic site and cultural center that welcomes more than 50,000 visitors annually. The Mount is open May through October and on weekends November through February. Special events and programs are offered throughout the year. For more information about The Mount please visit edithwharton.org

Existing and proposed sculptures may be submitted for consideration. Innovative and interactive works are encouraged. There is no exhibition theme and no application fee. Up to 30 sculptures may be selected. The exhibition will include both invited and juried sculptors.

A \$1,000 honorarium will be provided for each artist accepted for the exhibition.

Artists interested in seeing the sculpture sites may visit The Mount on their own or call 413 358 3884 for more information. The Mount's grounds are open daily from dawn to dusk year-round.

Works should be of an appropriate outdoor scale, be suitable for long-term, outdoor exposure, fabricated and installed in a viewer-safe manner. Sculptures which have been exhibited within a range of 50 miles from The Mount in the last 3 years, and sculptures that need refinishing will not be accepted. Sculptures which differ significantly from submitted images will need approval by SculptureNow prior to installation.

Artists who require installation assistance should detail their requirements when submitting the application. All sites are on grassy areas. SculptureNow and The Mount will provide installation/de-installation support, liability insurance and insurance for the sculptures, and a major reception event.

An audio tour and self-guiding maps of the exhibition will be available at The Mount and on the websites of SculptureNow and The Mount. 10,000 exhibition cards will be distributed throughout the Berkshires and beyond. Monthly artists-guided tours will be scheduled. Promotion of the show and sales will be actively pursued.
